Gentlemen:

Enclosed please find two copies of the Final Draft RFI/RI Work Plan (WP) for OU3. This transmittal meets the Interagency Agreement (IAG) milestone delivery date of July 10, 1991.

The WP contains extensive rationale for selection of contaminants of concern by media, and a statistical approach for delimiting the OU3 boundary

If you have any questions regarding this document, please feel free to contact Robert H. Birk of my staff at 966-5921

Sincerely,

David P Simonson
Assistant Manager
for Environmental Management
